S T A T E M E N T

During the period from February 28th to August 28th, 1954 the German Tourist Information Office distributed copies of 2 600 different pamphlets, brochures, posters, magazines, press releases, circulars, time tables, hotel guides and photographs to travel agents, transportation companies, news papers, trade papers and the general public. All this material, with the exception of the press releases and circulars was prepared and printed in Germany. The press releases and circulars were prepared, printed and distributed by Stephen Goerl Associates, Advertising, 48 East 43rd Street, New York 17, N.Y., which firm handles our publicity.

The sole purpose of all the material distributed was to promote and further travel to Germany and to acquaint the traveler with transportation facilities and general conditions in Germany.

None of the material contained any political view-points or was intended to influence the recipient in any political directions.

Duplicate copies of the several press releases and travel pointers are hereto attached. In addition there are numerous travel posters, time tables, circulars and hotel guides, which if required will be furnished.
